POSSIBLE		
Sandra Copley	PHD Women's Health Clinic Staff – Santa Barbara/Franklin and Carp.	Sandra C will continue to work with them re: potential training.
Dr. Carrick Adam	Grace Van Doren, PHD Perinatal Services Coordinator, would like classes for private and county CPSP providers as well as inviting pediatricians in SB, Lompoc, and SM (would have to be offered separately in each region). CPSP is Comprehensive Perinatal Services Program -- a prenatal and postpartum visitation program for MediCal eligible women that is very comprehensive and is administered by several MDs and all of the Public Health Clinics.	Grace Van Doren emailed Dr. Adam. Dr. Adam will follow up with her to set a training date.
Dr. Carrick Adam	Dr. Peter Hasler, Medical Director at PHD is interested in a brief (20 to 30 minute) presentation for physicians at a provider meeting.	Dr. Adam will contact Dr. Hasler to schedule the training.

Dr. Carrick Adam	Nursing staff at Marian Medical Center.	Dr. Adam has attempted to reach the RN Education Coordinator at MMC to offer training. Will follow-up.
Katarina	Community Health Clinic (Paula Curran, Nursing Director) wants training for their nurses. Their service area is from Lompoc to Nipomo.	They are definitely interested and Katarina will arrange a training date with CHC and Dr. Adam.
Katarina	Sansum Clinic in Lompoc (Margaret Weiss) wants training for their doctors and nurses. They have had no prior meth training.	Their proposed date is 12/11/08. Katarina will check with Dr. Adam to see if she is available.
Katarina	Katarina will contact the Medical Director at the Tribal Health Clinic in Santa Ynez Valley (Dr. Ho) to see if they are interested in meth training.	Katarina will follow up with the Tribal Health Clinic.
