Solvang Superior Court

1. **Attendance:** Todd Burnett, chair; Judge Rogelio Flores; Kevin Smith, Nancy Gottlieb, Sandra Copley and Bob Montgomery, facilitator

#### 2. Outcome /Charge of Task Force

The Task Force reviewed the 3 highest priority strategies. There was general consensus that the action plans for the first two strategies could be melded together. Development of a Response Team would be integral part of the developing a plan for Transitional housing. The first step for developing a Legislative Liaison would be to list areas of needed legislative reform.

Action Plans for this item were:

Action Item	Description	Completed
#1	Contact homeless shelters or other programs in each community that provide some substance abuse treatment. Begin to develop list of services available, services in short supply, and services not available. <ol style="list-style-type: none"><li>1. Nancy &amp; Sandra will canvas Santa Barbara</li><li>2. Kevin will canvas Lompoc</li><li>3. Todd will canvas Santa Ynez Valley</li><li>4. Sylvia B. will canvas Santa Maria</li></ol>
